

PARKWAY COMMUNITY ORGANIZATIONS SCHOLARSHIP

Dear Applicant:

The Parkway Community Organizations, as a part of the service they provide for the community, is again offering financial aid in the form of scholarship monies to deserving graduating students. We are pleased you have maintained a high level of achievement and encourage you to continue to do so as you seek the level of education necessary for your life's work.

To help facilitate this scholarship program as well as your own educational program, it is necessary to implement the following stipulations:

- A. If you are selected as a recipient of the Parkway Community Organizations Scholarship, you must plan to use this scholarship within the first year after graduation.
- B. You need to make the Parkway Community Organizations aware of your educational plans (name and address of the school, date of entry).
- C. One half of the scholarship monies will then be made available during the first term in school. The remaining monies will be made available during the following term. All scholarship monies will be paid jointly to the recipient and the educational institution.

The Parkway Community Organizations require that both you and your parent/guardian sign a statement that you are aware of, and will follow the above stipulations. If you do not meet these stipulations you will forfeit all of, or the remaining part of your scholarship. These monies will then be awarded to an alternate scholarship recipient.
