

Membership Investment 2022

The Rockford Chamber of Commerce is involved in supporting business and giving back to the local community. Each year, it is our goal to promote and become advocates for our cherished businesses. Our website and social media channels continue to be a hub of area information for not only Chamber news and events, but other area organizations and surrounding communities, giving Rockford the recognition and credibility, it deserves.

Why Become A Member

You support us, we support you! There is value in having your business listed on our website, community members can locate your business and it helps with your internet presence. The Rockford Ohio Chamber of Commerce Facebook business page is active in sharing member and community information. We have a Main Street Committee focused on bringing foot traffic and commerce to downtown.

With our Chamber Board, the Main Street committee is active in planning events such as seasonal events – Spring Fest and Fall Fest, a Membership Grant program and creating opportunities for business growth and networking. Proceeds from our events are directly reinvested into our community by way of scholarships, grants, programming and other opportunities.

Our board is comprised of business owners and chamber members, just like you! Be a part of making the decisions and shaping our Chamber by getting involved. Reach out to us for more information.
