Membership Investment 2027

The Rockford Chamber of Commerce supports area businesses while actively giving back to the local community. Each year, our goal is to promote and become advocates for our cherished businesses. Our website and social media channels continue to be a hub of area information for not only Chamber news and events, but other area organizations and surrounding communities, giving Rockford the recognition and credibility, it deserves.

Why Become A Member

- We are all interdependent, working together to build a better community and business relationships. The Rockford Chamber promotes business members on our website and through our chamber Facebook page (Rockford Ohio Chamber of Commerce), giving your business extra promotion and exposure. We have a Main Street Committee focused on bringing foot traffic and commerce to downtown.

- Our Chamber Board and the Main Street committee actively plan (2) seasonal events:
  - Spring Fling and Rocktoberfest. Proceeds from these events are directly reinvested into our community.

- Our board is comprised of business owners and chamber members, just like you! We welcome you to be a part of making the decisions and shaping our Chamber by getting involved. Reach out to us for more information.
